FAX: (408) 518-8128

**Easy Snap-on Installation:**

- Each shield, regardless of type, has slots for securing the clips along both edges of the ComfortView light engine cover.
- Align the slots with the corresponding clips along the edges of the ComfortView Light Engine.
- Place the shield so that the slots align with the clips along the edge of the ComfortView Light Engine, then simply push the edges of the shield down to clip it into place.
